How to Order Custom Size Vinyl Shutters ...made to order

Custom Sizes

VALOR manufactures "CUSTOM SIZE" shutters in various styles and colours by assembling both extruded and moulded plastic (polypropylene) components.

Lengths: VALOR Shutters can be manufactured in any custom length within the specific size limitations shown as the vertical parts are extruded.

Widths: The horizontal parts are moulded, which limits us to ONLY the widths listed on each shutter style price list. Parts are stapled and/or welded together depending on the style ordered.

Fasteners Included

12 - 2-1/2" zinc screws with colour matched plastic caps are included with installation instructions. If installing into masonry, #8 nylon anchors will be required (*not included*). Shutter Lock Plastic Fasteners can be purchased as an option if desired, which eliminate the need for anchors.

Standard Colours

Standard colours are moulded clear through the product and, CAN NOT BE PAINTED. (Please refer to custom paint services documents for additional colour options and pricing.)

Painting Shutters

A "PAINTABLE" VERSION IS AVAILABLE, it is a different type of plastic and MUST be specified when ordering. Please indicate "PAINTABLE" where a colour would normally be specified. We recommend a light exterior grade primer, and a quality exterior acrylic paint. Our coloured shutters CAN NOT BE PAINTED. The durable material does not allow paint to adhere.

Warranty

VALOR Custom Shutters come with a 40 year warranty, that covers excessive fading, cracking, and peeling, etc. The warranty covers only the cost of the product.

NOTES:

** When ordering shutters, replace "???" in product codes with desired width code as shown here on chart:

* Use next largest length listed for price when ordering in 1/4" increments. Normal tolerance .125"

* Width of paintable shutters will be slightly larger.

* Ensure that the length ordered is within size parameters noted on price list.

Indicate the COLOUR desired. If you intend to paint the shutters, indicate Paintable. If a two colour combination is desired, specify - "Frame Colour" & "Louver or Panel Colour" Shutters are sold in PAIRS. To order individual shutters, indicate 0.5 as your quantity. Screws & colour matched caps included (MS-SC/CAP).

SHUTTER WIDTH CODES

ACTUAL WIDTH	STYLE	WIDTH CODE	ACTUAL WIDTH	STYLE	WIDTH CODE
5.75"	A	06	14.50"	A, C, E, G, J, L	15
