# Custom Size Vinyl Shutters

*...how to order*

### Fasteners Included

12 - 2-1/2" zinc screws with colour matched plastic caps are included with installation instructions. If installing into masonry, #8 nylon anchors will be required (*not included*). Shutter Lock Plastic Fasteners can be purchased as an option if desired, which eliminate the need for anchors.

### Painting Shutters

A "PAINTABLE" VERSION IS AVAILABLE, it is a different type of plastic and **MUST** be specified when ordering. Please indicate "PAINTABLE" where a colour would normally be specified. We recommend a light exterior grade primer, and a quality exterior acrylic paint. Our coloured shutters **CAN NOT BE PAINTED**. The durable material does not allow paint to adhere.

### Warranty

VALOR Custom Shutters come with a 40 year limited warranty, that covers excessive fading, cracking, and peeling, etc. The warranty covers only the cost of the product.
